MATTERS ARISING

SIGNAGE

a) The Council accepted Cllr Johnson's kind offer to donate an additional line to the new Playing field sign informing visitors to report any problems at the Playing field to the Chairman.

ZIP WIRE

b) It was noted that the zip wire was the correct length purchased and that the Chair and vice Chair had tightened the wire thus improving the performance of the equipment.

SLIDE

c) The Council believed that there was no requirement to have additional matting at the bottom of the slide and that with the end of the unusually dry weather the grass would re-establish itself.

FINANCE

The Council approved the following payments; £42 to Mr Sticker for playing field sign and £45 to Mr Lawson for web hosting.

ANY OTHER BUSINESS

1. The Council endorsed the offer of the Playing Field Support Group to pay for an independent new risk assessment at the playing field following the installation of new equipment.

2. The Playing Field Support group offered to seek replacement netting for the goal posts.

3. It was noted that the repainting of the telephone box was in progress.

4. As dedicated WI-Fi connection for the defibrillator had now been installed thanks were recorded to Phil Ruby for allowing use of his Wi-Fi for communication to the defibrillator up to this point.

5.The Council decided not to progress with any official Neighbourhood Watch scheme as they felt that neighbours already   alerted fellow neighbours of unusual activity and that the Police appeared inactive in this field.

6. The poor state of the road surface at Briars Ryn was noted and would be kept under review by the Council,
