## *Ssshhh!!!* NEW PUBLIC LIBRARY

While most Councils throughout the land are reducing their libraries Pillaton Parish Council has just created one. Yes, the Pillaton Library is now opened thanks to the efforts of Dave Dolley for painting and Gary Martin and Roger Warne for supplying the materials and building the shelves, all at no cost to the Parish. The library is open day and night every day of the week, a true 24/7.

The library is situated in the distinctive red telephone box next to the Village notice boards. Any one is welcome to borrow or donate a book and to enjoy the new facility.

*Please keep quiet in the library!*

## Pillaton Village News

No. 165 May 2013

It is with great sadness that I record the death of Delcia Miles who passed away on 12 April aged 81. With Pillaton Church closed for repairs, her funeral took place in St Mellion on 22 April and was well attended by family and friends together with many associates from her days at Saltash Community School and the Guild of Embroiderers.

For nearly 25 years Delcia was the mainstay of the Pillaton Village News, having set it up in 1986 and before finally stepping down as editor in 2011. As I have commented previously production of the newsletter in the early days was far more labour intensive, with all the copy having to be typed up

on a manual typewriter before being laboriously duplicated on a messy gestetner machine. Without Delcia's hard work and dedication the Village News could never have succeeded. It continues, *hopefully*, to keep readers informed and Delcia's legacy is still, in the words of Arthur Daley, 'a nice little earner,' having raised through advertising just over £500 for village funds in the last financial year.

Besides her work as editor, Delcia also put her embroidery skills to good use and made several generous presentations to St Odulph's Church in the form of wall hangings, an altar frontal and copes to be worn by the Minister. She was also Parish Clerk for a number of years. Over the years Delcia contributed much to the life of Pillaton and will be sadly missed.

Next copy date is 1 July 2013 - full details page 27.

Robin Dwane, Editor

Delcia, aged 23, having just graduated from Exeter University. Even then cats played a big part in her life.

## CHURCH RENEWAL

A milestone in the renewal of our church has been reached with the completion of the scaffolding around the tower, all 70 tons of it, and a platform constructed above the level of the pinnacles in a 'room' of cladding. This has enabled the last of the damaged masonry to be removed to the stonemason's yard and the restoration of the damaged areas, including the roof of the tower, can now begin. There are several more layers of stone that have to be stabilised before the restoration of the actual pinnacle commences, but this marks 'the end of the beginning.' The lead has been stripped from one side of the roof and the oak underneath repaired and replaced as necessary.

All concerned are aware that the work to restore the tower and remove the scaffolding has the highest priority at many levels; the cost of the scaffolding, the aesthetics, the noise of the cladding in the wind and, most important of all, the requirement to get the bells ringing again. We are looking at a couple of months.

Work to make good the main hole in the nave roof is also well underway and, now uncovered, it is revealing some most interesting medieval construction. In this area, the walls have been stabilised and the 14th century oak roof exposed. The wood itself is very important architecturally, full of character and wormholes (all dead I have been assured) and each timber has been individually assessed to preserve every bit that can be saved. Then the work moves inside - hopefully before the autumn weather starts to bite.

Fundraising is now gaining momentum and the money will be used in the first instance for essential 'non-insurance' works revealed by the reconstruction. The architects and the main contractor, AD Williams, are working positively at every juncture to keep the church funded jobs as small as possible, but they will make our church sound again for another few hundred years. Once closer to the end of the surveying work, we will be in a better position to see where we stand.

Usual stalls, cakes, bring and buy and 50/50 clothing rail (bring your mistakes!) plus raffle. £12 per person to include a glass of wine. All proceeds will go in aid of the Pillaton Church Disaster Fund. Contact Shelagh on 350277 if you are able to attend as numbers are limited.

## **PILLATON VILLAGE HALL COMMITTEE**

The Annual General Meeting took place in the Village Hall on Monday 15 April at 7.30 pm. Amongst the items raised was a problem with the floor. At the moment this is being investigated by the Insurance Surveyor.

Sue White gave details of a possible grant being available for the replacement of the windows of the Village Hall. The idea is to replace them with the same style windows, but to be double glazed. Three quotations would be required. All organizations, as stated by us, using the Village Hall on a regular basis to submit a signed letter supporting the application for the funding of new windows.

The Chairman thanked the Committee for their support throughout the past year, and thanks in particular to Shirley Floyd for her fund raising for a new cooker, and to Sue White, assisted by Anne Henderson for the splendid fund raising events of the past year.

## ‘DROP IN’ SKITTLES AND BARBEQUE

After a slow start the Skittles got underway and people started to arrive to test their skill on the alley and then stayed for the Barbeque. The prize (a bottle of wine) for the highest number of skittles knocked down with three balls went to Grace with 18 skittles down. There was a play off for the second prize between Den and Nicky and Den also won a bottle of wine.

Mike and Darran did a splendid job cooking 120 beef burgers and sausages ably assisted by Nicky who was on hand to take the orders.

We would like to thank all who supported this event and those who donated raffle prizes. The total profit for the afternoon was £269.60 which is going to be split between the Village Hall and the Church Restoration Fund.

It was a pleasant afternoon/evening and the sun was shining which was a bonus.

Our thanks to Mike, Darran and Nicky for volunteering to help us with this event and for giving up their May Day Bank Holiday, it was very much appreciated.

*Sue White*

### **THANK YOU**

*We would like to place on record our thanks to the two organisers and their helpers who helped raise funds for the Church Restoration Fund through the ‘Drop In’ Skittles and Barbeque on May Bank Holiday afternoon. Although the repairs to the church resulting from the lightning strike will be covered in the main by insurance, there are other essential repairs not covered that will need to be paid for by the restoration fund. It is hoped that the church will be ‘open for business’ in the late summer or early autumn.*

## PILLATON SKITTLES LEAGUE 2012/2013

The Skittles League for 2012/2013 'kicked off' at the beginning of November with the arrival of a new team called 'The Mavericks' under the captancy of Shirley Floyd. This team was made up of some players from The Gargoyles and The Quasimodos. The Dare Devils welcomed some new members to their team Mike Keay, Darren Witton, Carol & Steve Bligh. They said 'goodbye' to Roy & Audrey Levack who have moved on to pastures new.

This year we played with a new Skittle Alley, skittles and balls obtained through lottery funding. The Dare Devils took an early lead playing there two games in November. The winners last year The Hillbillies were slow starters until they played there two games in March when they moved from fifth to third place. The Knackered Monks kept a steady second place throughout and were pleased to welcome Helen Mace to the team. The Wild Indians under the Captancy of Helen Edwards also kept a steady pace throughout and were helped out by several of the husbands of WI members taking a turn. The Mavericks were doing well in third place until the last evening, it must have been something to do with the chicken tikka slices!

The Presentation Night took place on Saturday 20th April and was attended by 39 people. The meal was cooked and served by Shirley Floyd and was as always enjoyed by all.

Apart from the prizes of wine for the First and Second Teams, additional prizes of wine were given:

Best three ball score of 18 pins in one game:

Men – Darren Witton, Gary Sims, and John Wheeley

Ladies – Carole Hosken

Best game score was Ken Beal scoring 38 and Marie Sims for the ladies with 43. Top of the averages was Mike Keay on 9.2 and Julie Bazeley with 8.7

Two teams shared the Wooden Spoon – The Mavericks and The Wild Indians. This is the first time this has happened since the League started.

During the evening we held a 'Musical Quiz' which was organised by Len. We reached a tie break situation between the Dare Devils and the Wild Indians each scoring 26 points and the tie break question was won by the Wild Indians who each received a chocolate rabbit as a prize.

If anybody would like the occasional game of skittles, sometimes a team could be short of players or if there is anybody 'out there' who would like to put a team in the league please let either Len or Sue know on (01579) 350065.

## KEEPING YOUR DOG UNDER CONTROL

It has been brought to the attention of the Parish Council that there have been a number of attacks by dogs on other dogs. This has happened where the Owner of the attacking dog has not had their dog under control.

To clarify the current position we must point out that it is against the law to let a dog be dangerously out of control:

- In a public place.
- In a private place where the dog isn't allowed to be (e.g. a neighbour's house or garden without permission).

The law applies to all dogs.

Your dog is considered dangerously out of control if it:

- Injures someone.
- Makes someone worried that it might injure them.

A court could also decide that your dog is dangerously out of control if:

- It injures someone's animal
- The owner of the animal thinks they could be injured if they tried to stop your dog attacking their animal.

A farmer is allowed to kill your dog if it's worrying their livestock.

### Penalties

You can be fined up to £5,000 and/or sent to prison for up to 6 months if your dog is out of control. You may also not be allowed to own a dog in the future.

If you let your dog injure someone, you can be sent to prison for up to 2 years and/or fined.

If you deliberately use your dog to injure someone you could be charged with 'malicious wounding'. The maximum penalty is 5 years in prison.

### Dog Control Orders

Local councils in England and Wales can issue Dog Control Orders (DCOs).

These mean that in public areas with DCOs, you may have to:

- Keep your dog on a lead
- Put your dog on a lead if told to by a police officer, police community support officer or someone from the council
- Stop your dog going in certain places - like farmland or parts of a park
- Limit the number of dogs you have with you (this applies to professional dog walkers too).
- Clear up after your dog.

DCOs don't apply to private land if you have permission from the landowner or person who controls the land.

### Penalties

If you ignore a DCO, you can be fined:

- £50 on the spot (a 'Fixed Penalty Notice').
- Up to £1,000 if it goes to court.

You can't be fined if you're a registered blind dog owner.

## **FRUIT CASE**

I cannot be the only gardener in the village who is feeling the strain of the growing season now that the sun IS shining and those pathetic seedlings in my greenhouse that have been drumming their leaflets impatiently for weeks, muttering where is the sun, have actually started to grow.

My greenhouse is rather busy in early spring, regardless of rain, hail and blow, the chance to hide away in the fug of the greenhouse and carefully sow early vegetable seeds. I am always liberally supported in this task by countless cups of tea and the ever present audio book, usually selected from the crime or thrillers list of the BBC online shop.

This year has been an exceptionally slow start; seeds were slow to germinate and when they did, were very slow to grow. It was purely the lack of sunlight in my unheated greenhouse. The cold weather was a factor, but with clear propagator covers the seed trays, it was the lack of light rather than temperature, I grew increasingly frustrated at the delay. You can almost feel the seedling grow when the atmosphere is right, a warm, bright, sunny yet humid miasma with a particular smell, as memorable as the smell of tomatoes, sweet and ripe on an indoor vine. The latter experience now denied to me as I have no sense of smell, only the memory of it.

The past couple of weeks have made up for lost time, cornflowers which I am growing for my daughter's wedding next month, shot up 3 inches in 2 days, just because the sun got to them. My 'Love-in-the-Mist' (or 'Snog in the Fog' as the bride calls them ) is not so successful, but the ox-eye daisies are growing steadily, but only Him upstairs will know if any will be ready for the wedding, if not we will have to decimate a nursery at night.

My hands are wrecked with weeding, the ingrained soil within the nicks and cuts are quite shame-making to behold; they will not improve till the gardening winds down in September. It is best just to sit on them when in company. Most of my gardening friends are complaining of exhaustion, back ache and do seem to grunt more when having to sit down at points in the church service. The hard labour of this fruitful hobby, does have its fun and funnier moments when visiting the local garden centre just before the bank holiday to get the best selection before all the trippers empty the new stock!

Alison and I hit the garden centre on Saturday AND Sunday, nearly managing to bust the suspension of her once clean car, with an amazing assortment of items which were eventually fitted in with the genius of a rubix cube. Some of the more memorable items were 2 ponds, fish food and pond plants, meat from

the butchers, large bags of greengrocery and choccy biscuits, trays of bedding plants, a large potted acer, 2 clematis armandii in a garden bin for safety, assorted potted plants.....etc; the list went on. I was feeling depressed weighed down with problems, but a bit of retail therapy with a difference, makes a difference. I shall never forget coming out of the pond shop with waving a fishing net, Alison behind with fish food, then a 'nice young man' carrying 2 ponds followed by another one carrying a tray of pond plants.....it was like being on safari.

## **PILLATON GARDENING CLUB SPRING SHOW**

The Gardening club Spring Show had a fine example of what was in flower at that time and to show how cold it was, the snowdrops formed part of some of the displays - this harbinger of spring usually long gone by the time of the show. The bright yellow of the daffodils in the Village hall never ceases to impress and we had many visitors in the afternoon who attended the Presentation of Trophies by chairman Ken Beal. Christine Dunn had most points in the show and also won the Dan du Plessis Trophy for daffodils. Rose Peter won the Angove Trophy for floral art and Linda Mavin had the most points for shrubs and the Dan du Plessis Memorial Trophy for being a Pillaton parishioner with most daffodil points. This is a local event and we welcome all new exhibitors. Carole Hoskin is the Show Secretary (350063) and Linda Mavin is the secretary (350956) to whom enquiries can be made.

I would like to remind you that the Summer Show on September 7th has classes which need preparation. The Newton Ferrers Trophy is for a Potted Begonia for which the container may be of any size. The photography subjects for adults are: country pursuits, boats, memories of floods, best photograph, bird(s), most amusing with caption. For juniors, the photography subjects are: own choice, holidays and pets.

*Linda Mavin, Secretary*
