MATTERS ARISING

Cllr Harris outlined the application he had submitted to Cornwall Council for speeding control in the village.

PLANNING PERMISSION

PA19/01898 Construction of horticultural workers dwelling at Sea–Moor view

The application was not approved on the grounds that the property exceeded the size permitted and was outside the approved boundary.

The Chair thanked Cllr Martin for producing the details of the applications.

The meeting approved the accounts for the year ended 31st March 2019 together with the annual governance statement and accounting statements. Mr D. King was thanked for auditing the accounts for no fee.

BIN ROTA

REPRESENTATIVE ON THE VILLAGE HALL COMMITTEE

The Council agreed that Cllr Martin continue as the representative on the Village Hall Committee.

ANY OTHER BUSINESS

The Council was informed that Cllr Harris's application to join a South East Cornwall working group to promote economic issues in the area had been successful.

The Council debated the problem of people using the playing field allowing dogs on the field despite the signs saying no dogs. It was recognised that the Council had no legal power to prevent dogs on the field and that all that could be done was to ask people with dogs to leave the field.
